Membership and networking opportunities were also part of the meeting dynamic.

The Membership Committee set up to welcome all who arrived and to offer a new or renewal membership to those who were not up to date. Sadat Huq and Patty Godon-Tann explained to all comers that a member in good standing could vote for the Board of Directors during the course of the meeting. Andrew Gledhill and Thane Roberts worked at the election table.

The Special Events Committee led by Lori Nafshun set up a large refreshment area and live music was played for the enjoyment of the membership.

Elections were completed at 5:45pm and the meeting adjourned at 6pm. Results of the election will be announced at the next meeting.
